

# Ice Cream

## Ingredients

1/2 cup milk

1/2 cup half and half

1/4 cup sugar

1 tsp vanilla

Flavoring, if desired

## Directions

Mix all ingredients in a small re-sealable bag and seal tightly!!! Fill big re-sealable bag with ice and salt. Put small bag into the large bag and shake for about 10-15 minutes. Moving the ice and salt causes the ice cream to get done faster.
