

Snowdrop Salad

Ingredients

8 oz softened cream cheese
3/4 cup sugar
20 oz pineapple tidbits, drained
10 oz package frozen strawberries
1/2 cup chopped nuts
8 oz Cool Whip

Directions

Cream sugar and cream cheese together. Add remaining ingredients and mix together. Freeze in one bowl or individual servings. Remove from freezer approximately 30 minutes before serving if in individual servings. If it is in one large bowl, take it out of the freezer the night before and let it defrost in the refrigerator overnight.

Snowflakes may have been falling outside, but inside, the annual Bartlett Woman's Club Christmas party was warm with laughter and the aromas of good food.
