

Too Easy Fudge

Ingredients

- 3 cups semi-sweet or milk chocolate chips
- 1 14 oz can sweetened condensed milk
- 1/4 cup butter
- 1 cup chopped walnuts (optional)

Directions

Place all ingredients, except nuts, in a large bowl. Microwave at medium, 50% power, until chocolate chips are melted, 3 to 5 minutes., stirring once or twice during cooking. Stir in nuts, if using. Pour into a well-greased or lined with wax paper 8" square baking dish. Refrigerate until set.

Variation: Substitute 1 cup peanut butter chips for one cup of chocolate chips.

A penny in hand was as good as gold for a child visiting Thurnau's Sweet Spot to buy chocolates, gum drops, English walnuts and other candies.
